

GLORY MOLD

2084

Access Overview

The venue and installation are wheelchair accessible.

There are toilets available in the St Enoch Centre.

We have a HEPA filter in the installation, and provide face masks, hand sanitiser and ear defenders upon entry.

Audio Description

- 45 minute audio described tours of the installation are offered every hour, on the hour between 12-5pm
- These are available to one person at a time
- The slots can be booked in advance if you want to secure a specific time slot - just ask our staff, or book online.

BSL Event

- We will host a BSL event on Tuesday July 28th, between 6-8pm
- Speak to staff if you would like to book a slot, or find the booking information on our website

Further access information

If you require more access information you can find this here:

- In the Access Guide
- In the audio version of the access guide
